REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. § 1.324

Dear Sir:

Applicants respectfully request that the United States Patent Office issue a Certificate of Correction for the above-identified patent to correct a minor error on the face of the Patent that is the fault of the Patent Office. Such corrections do not add new matter.

Applicants request correction of the U.S. patent as follows:

On the face of the patent, under (75) Inventors, please delete "Richard L. Sandstrom, Encinitas, CA (US);".

On April 6, 2005 Applicants filed a Petition to Correct Inventorship under 37 CFR 1.48(a), along with a Statement of Richard L. SANDSTROM, Consent of Assignee, Statement Under 37 CFR 3.73(b), and a newly executed Declaration and Power of Attorney excluding Inventor, Richard L. SANDSTROM. Copies of these papers are attached hereto.

On February 13, 2006 the U.S. Patent Office mailed to Applicants an Office Communication, for which the Examiner considered the Petition to Correct Inventorship filed on April 6, 2005. A copy of the Office Communication is also attached hereto.

The Patent issued on May 2, 2006, for which the Office of Publications had over two months to correct the inventorship to exclude Richard L. SANDSTROM before the printing of this patent.

Considering the above, Applicants respectfully request that Applicants' Petition to Correct Inventorship that was received and considered by the Examiner be entered and that this Request for Certificate of Correction to correct the inventorship on the face of this Patent be granted.

Remarks

These corrections are of a "minor" character and do not add new matter or materially affect the scope of the patent.

Enclosed is Form PTO/SB/44 requesting correction of the above-referenced U.S. Patent. This Request for Certificate of Correction is due to a minor error that was the Patent Office's fault. Therefore, no fee is believed to be due in the filing of this Request for Certificate of Correction. Alternatively, if any fee is due with the filing of this Request, the Commissioner is authorized to charge Deposit Account 03-4060 for the required fee, and is also authorized to charge any additional fee due or credit any overpayment to Deposit Account No. 03-4060. A duplicate copy of this paper is enclosed.
